

## Our COVID-19 safety measures.

Compliant with the State Government's 'Return to School Operations Guide'.

Safe distancing, hygiene & sanitising practices.

Delivering sessions one class at a time.

Maximising outdoor open air learning.

# Supreme Incursions

## THE STATEMENT OF GENERAL POLICY ON COVID-19

### HEATH AND SAFETY AT WORK

Supreme Incursions (SI) is working within the **Victorian Government Schools** guidelines and responding appropriately to the expectations and requirements that are outlined. It is especially important to note that our team of teachers abide by each individual schools COVID-19 policies and procedures.

#### **WHY BOOK WITH US?**

We are committed to the safety and welfare of children, school staff as well as our own staff. We are also committed to implementing thorough precautions and preventions in response to Covid-19.

We provide two types of services that are deemed essential within Victorian Government Schools. These include;

- ✓ **'Student health and wellbeing services'**
- ✓ **'Specialist curriculum programs'**

We provide these experiences in the safety of your school grounds.

#### **THE PURPOSE OF OUR COVID SMART POLICY:**

This policy has been agreed in response to the government guidelines when working within education. This policy will be regularly updated to reflect changes resulting from government announcements.

*The purpose of this Policy is to:*

- Outline the measures that we are taking to demonstrate safe and appropriate practices within schools.
- Provide direction to employers, workers and schools, maintaining a consistently safe environment for all.

## Our COVID-19 safety measures.

Compliant with the State Government's 'Return to School Operations Guide'.

Safe distancing, hygiene & sanitising practices.

Delivering sessions one class at a time.

Maximising outdoor open air learning.

### CONTROLLING RISKS ON SITE

All members of our team are applying a risk-based approach and implement reasonably practical controls based on the environment and specific hazards at each school site.

To assist with providing and maintaining safe and healthy operations during COVID-19, the below measures will be implemented;

- **'No symptoms' policy:** We have a 'No symptoms tolerance'. No matter how minor the symptoms, our staff will be asked to return home if they demonstrate any cold or flu like symptoms. Your program will be run by a healthy replacement teacher.
- **Good hygiene:** We are following strict hygiene practices that are in line with the Australian government guidelines. All staff have been briefed and trained on the appropriate protocol outlined within the government "Good hygiene for Coronavirus" document.
- **Physical Distancing:** Whilst the Australian government has deemed it not appropriate or practical to apply a physical distancing rules within the school environment. Supreme Incursions is dedicated to applying safe distancing practices where practical. Any expectations within the school will be followed and a safe 1.5 distancing rule will be applied between staff.
- **Adaptations:** As per the government guidelines, we encourage schools to **maximise outdoor learning**, running programs outside where appropriate. Where this is not possible, large, well-ventilated spaces such as halls are encouraged. Sessions will also be adapted to better suit these guidelines.
- **Common Areas:** SI staff will abide by your school policies. Congregation will not occur in areas where the school deems it inappropriate. Our team should be notified of any policy requirements and expectations within the school. Access to a staff toilet and a drinking tap must be provided to SI staff.
