ChatGPT Templates

Create a ChatGPT account at https://chat.openai.com.
Use the templates below to help create classroom resources and lesson plans.
Fill in the blanks, copy into ChatGP, and save hours of your time!

Creating comprehension questions:

Using the following paragraph, create *x* reading comprehension questions.
Refer to Victorian Curriculum, *level, curriculum, content descriptor.*

Insert paragraph.

Example:

Using the following paragraph, create *5* reading comprehension questions.

Refer to Victorian Curriculum, *level 6, English, Analyse strategies authors use to influence readers.*

In the year 3023, space travel had become as common as hopping on a school bus. As the sun dipped below the horizon, a group of enthusiastic Year 6 students strapped into their sleek, silver spacecraft for a cosmic adventure... (and so forth)

Handy Hint:
Use different resources. You can ask ChatGPT to create comprehension questions based on books, Youtube videos, movies etc.
